|                          |           |  |           |   |       |
|--------------------------|-----------|--|-----------|---|-------|
| Portable Licence Option* | \$1000.00 |  | \$1000.00 | * | =     |
|                          |           |  |           |   | + GST |
|                          |           |  | Total     |   | =     |

### Notes:

1. GST is not payable on orders from New Zealand
2. All credit card transactions will incur a 2.5% transaction fee.
3. The software is supplied with 'softlock' security as standard - one licence per PC. The portable licence option provides a USB 'Hardlock key' that allows for the software to be installed on multiple PC's but only one can run at a time.
